Version 4.0.1

August 21, 2012

Version 4

Build 4.0.1 (2012-08-21)

Missing dynapdf.dll

The file *dynapdf.dll* has not been installed on setup. The problem has been solved.

Build 4.0.0 (2012-04-21)

Tool window non modal

The main tool window which offers tables and views to be opened is not longer a modal dialog. It is now a non modal tool window. It closes automatically if the application is closed.

English version released

The English version of *Quax Database* has been released.

License System

Quax Database must be activated online with a valid license key. With an activated version you can download all new versions and updates free until the major version changes.
